*June 8 – 11, 2017*

Join us for a long weekend trip to the San Francisco Bay area. We will stay in Sausalito. One of the Sausalito lodging options is "The Inn Above Tide":

This intimate Sausalito waterfront hotel with 31 rooms and suites is a magnificent location for a uniquely inspiring luxury retreat. Chic and understated interiors lead to simply mesmerizing views from the private furnished room decks. Sited directly on SF Bay, every room has sweeping views of the bay, city skyline, Alcatraz, Angel Island and Marin. The spectacular but brief ferry ride to SF is mere steps from the hotel. Intimately connected to the village of Sausalito, yet magically separated due to its bay front setting, The Inn Above Tide is a minute's stroll to galleries, restaurants and shops. The scenic vineyards of Sonoma and Napa are just a short drive north. <https://innabovetide.com/>

There other lodging options available in Sausalito that include hotels, houseboats and private yachts.

We plan to do daily sailing trips aboard some of the various charters boats available in the Bay. One of the days will include an afternoon sail aboard a former America's Cup racing boat. See Darrel Rundstrom for more information.
