by Barry Stewart,  
Commodore

**A**hoy SLYC. As spring approaches you should see “scuttlebutt” announcements for a variety of events.

These serve as a reminder for the activities on our calendar and announce updates periodically.

We sometimes hear that members are not getting their “Scuttlebutt” weekly email, only to find out that they have either been “filtered out” or sent to bulk mail or spam folders by your email service, or on rare occasions someone has changed their email address and not informed the secretary. Please check your emails bulk mail files first. If you send one there manually, the next one might get sent there automatically.

On the social calendar we have a St. Patrick’s Day Dinner Dance on 3/16, along with our Sunday Brunches (3/3 and 4/7) plus normal Friday social hours. On the activities front, we have “Wet Wednesdays”(3/13 & 4/10), our annual “Cleanup Day” 4/6, and Lake Races (3/3 and 4/7) on our schedule. All this lead up to our April Opening Day event, 4/13. Please RSVP to our Vice Commodore. The Hobie Cat Regatta (4/13 & 4/14), is concurrent with the Saturday 4/13 Opening Day and we will have guest sailors around the club all that weekend. Morro Bay Yacht Club Opening Day is 4/14. Please see their website for details.

On our Opening Day, SLYC will introduce our newest flag members to the club, so try and attend to meet and welcome them. The first impressions new members get can influence their level of activity for some time, so put out some effort to welcome them aboard and “show them the ropes”.

Cruising News . . . . .	4		

You should have gotten a postcard with the 2019 cruising schedule in your mail by now, so take a few minutes to read it, and call our Cruising Captain **Lettie Fuller** if you need more information on any event.

On the local front, the Friends of Avila Pier Committee will be formulating fund raising strategies for fully opening Avila pier. The barrier is expected to be moved out to “Bent” (row) #59 very soon. The Harbor Commission received a favorable load study report from the consulting engineer that delineates a much shorter and less expensive path to complete opening, and ongoing maintenance. We expect SLYC and its members to be involved with this process, that will restore water access in Avila.

Ocean sport fishing will get a boost in April when local waters re-open to more of our resident species.

We are working on renewing the Small Boat Program, with small beach launched boats stored under the clubhouse, but it is not finalized as of writing. We should have the repaired mainsail back on “Slo Sloop” before you read this, and sailing lessons and boat checkouts should have resumed. So far she has weathered the storms to date, and **Bill Dyer** and Vice Commodore **Jim Gilletly** have been tending to her needs. Thanks to **Marty Fuller** for taking care of the mainsail last month. Port Captain **Ken San Filippo** is also exploring expanded Water Taxi hours to the mooring area on Wednesday, race days and special events.

Or Rear Commodore **Mike Davis** has been taking care of our clubhouse and its systems regularly, and the keycard reader and the internet service have been much improved. The security cameras are going to be upgraded soon but they will mainly cover the existing areas. Our fireplace chimney was replaced by **Steve Dahl** and **Marty Fuller** between rainstorms so the “cozy corner” is back to normal.

On 2/19, sailor and SLYC Member **Kevin Williams** presented an informal talk on a couple nautical subjects, such as racing strategies, and sailing around Pt. Conception. We hope to hold another Yachtsmans talk on Tuesday 3/19, we are attempting to have more practical nautical education opportunities for members and guests covering wide variety of subjects

that don't come in a basic boating course.

I will close by the usual, "See you on the water and at the

Club" and once again asking you to sign up for club duties if you haven't already.

*Nautically yours,*  
– Barry 

## Vice Views

by Jim Gilletly,  
Vice Commodore

**A**hoy Fellow SLYC Members, February has been a wonderful winter month in the comfort our beloved clubhouse. Cold and stormy outside, but warm and welcoming inside. If you've been to the club recently, you know that we have had several fun social and informative events.

Along with our relaxing Friday socials, we've had a wonderful Valentine's Day Dinner hosted by the fabulous **Sandra Gore Nielsen** accompanied by the enjoyable and danceable live music of **The Gypsy All Stars**.

This month we've also had the privilege, of our new member and extraordinary sailor, **Kevin Williams**, presenting his initial sailing and sailboat racing seminar. TO ALL SAILORS...If

The Gypsy All Stars entertained all who attended the SLYC Valentine's Day Dinner and Dance.

you missed the first presentation, please attend and support the next presentation in March. You'll be impressed!

To finalize my article this month, I would like to thank **Tom Hill, Darrel Rundstrom, and Steve Dahl** for their suggestions regarding our 2019 PSL water tax proposal to promote our SLYC Avila Cup racing and Wet Wednesday sailing events. Thank you all!

See you at the Club or on the water.

–Jim 

## Sr. Staff Commodore Report

by Mary Matakovich,  
Sr. Staff Commodore

**A**hoy! I'm glad to report to you that "all-hands-were-on-deck" to make this year successful — both at our yacht club and at the Harbor District. It's exciting to know that the most recent engineering report on Avila Pier is very optimistic in that it appears we will be able to open the pier to Bent 59 after the pier is cleaned-up and the stringers checked. There seems to be an estimated 5-10 pilings needing to be replaced. After the Harbor Commission takes action on the proposal to replace them, we could have a full operating pier within this year, yes! We will keep you posted, especially since we have our landing to be repaired and made available to our boats. The non-profit Friends of Avila Pier has been meeting at our clubhouse to decide on the best approach to raise additional funds to support the pier's rehabilitation. By the time of the printing of this *Foghorn*, the Friends will have established its

Board of Directors, its officers and its fundraising goals. Talk with our members, **Tom Swem, Bill Dyer, Rod and Margie Valine, Dorie and Tom Zwinger, Ken San Filippo, Will Bellis, Richard Zacky, Ron Pigeon, Mike Ritter, Robin Kisinger, Jim Blecha**, and me, as we have been supporting this effort for many months. If you'd like more information about this project, please contact me directly.

On another note, since our member, **Bob Cazier**, has passed away, we are in need of a person to serve as our Easter Bunny at the Easter Egg Hunt at the Avila Beach Civic Association on April 13th from 9:30-11:30AM. Bob's wife, **Sylvia**, made the costume; so, all we need is someone with a great love of kids to fit into the suit, and to come to the egg hunt, ready to hand-out eggs filled with treats and pose for pictures. Please let me know if you have an interest in providing this public service, which we have been doing for our community for years. (Note that this is occurring on our Opening Day; so, if you are our Easter Bunny, you will probably miss the program at the club. Just remember our Opening Day Celebration is an all-day event.) We also will be stuffing the eggs with treats for the egg hunt at the April 5, Friday Social; come and join in the fun!

*Always at your service!*

– Mary 

## Rear Commodore Report

by Mike Davis,  
Rear Commodore

**A**hoy Sailors!  
I am excited about my new duties and feel that we have gotten a lot done these last few months. As your Rear Commodore, it is my responsibility to oversee/maintain the clubhouse facility, perform/arrange for repairs, coordinate fire safety inspections, coordinate the annual cleanup day, maintain the access control system, issue passkeys, oversee cleaning contractor, maintain cleaning supplies, oversee clubhouse reservations and present requests to the board, hire security as needed, maintain clubhouse reservation calendar, manage the club computer, attend monthly board meetings, perform Officer of the Day (OD) duties and assist the Commodore/Vice-Commodore. I will do my best to carry out my duties and keep up the traditions of the SLYC!

Thank you **Steve Dahl**, **Marty Fuller** and **Barry Stewart** who replaced the old rusty fireplace flue, adjusted the pilot light, replaced two AC outlets, caulked the entry awning, treated the entry awning canvas with fabric guard, painted deck rail and eve trim, cleaned the ice machine condenser coils and cleaned up the painting supplies.

So far this year, I can report that the following items have been completed:

- Replace failed Internet modem/WiFi router with faster unit at no cost by Charter Spectrum. Assigned new WiFi ID: SLYC Guest
- Replaced padlock trash/recycling gate
- Installed battery organizer in office
- Installed four new clubhouse fans and upgraded fan electrical wire (Thanks to **Bill Thoma** and **Clark Rossetti**)
- Created a Security Guard Information Sheet

Fire extinguishers being serviced. The new Zoll AED unit mounted in the SLYC Clubhouse.

- Fixed and upgraded the Stanley Access System and cleaned up office computer
- Installed the new Zollo AED Plus unit and signage (Thanks **Marty Fuller**)
- Updated Commodore photo display and outside bulletin board
- Installed new hanging metal file holders for board members
- Provided updated mooring reservation and clubhouse reservation forms
- Unclogged/flushed water fountain drain
- Serviced the eight clubhouse fire extinguishers (**Scott O'Brien**)
- Tested the fire alarm pull station at the front door
- Completed 3 SLYC Clubhouse events/reservations
- Scheduled 6 New SLYC Clubhouse reservations

Thank you **Ron Piegon** for donating a few more white table clothes to the clubhouse last month! Thank you to **Monica Miera** and **Mary Matakovich** for keeping a rain water watch on the doors during the heavy rains we received in February! Thank you **Barry** and **Jim** for showing me the ropes!

Thank you **Marty Fuller** for installing the new Zoll Automated External Defibrillator (AED) Plus unit and signage at the clubhouse. The AED was **Chris Barrett's** vision last year. With **Jim Gilletly's** hard work researching, purchasing and getting certified, it is now reality and ready for use. I would encourage everyone to get CPR/AED certified. For more information on training available, I suggest going to: <https://www.redcross.org/take-a-class>.

If you are already certified, you can view this video showing the Zoll Plus unit: <https://tinyurl.com/y6qhwpxn>

A quick reminder about Lost & Found, you can find that favorite pair of glasses or jacket that you left at the clubhouse in the Lost & Found cabinet located in the left restroom.

As a member, you have the ability to rent the SLYC Clubhouse for your party or event at very reasonable rates. For more information, please go to [www.slyc.org](http://www.slyc.org), select on the Members tab, enter the Members password, mouse click on the "Click!" button and select the Reservation Form tab. Here you will find a manual form and electronic form as well the clubhouse rules. I have also made blank forms/rules available at the SLYC clubhouse. Please contact me if you have any questions.

Please sign up for the annual SLYC Clubhouse cleanup day scheduled for Saturday, April 6th. This is a fun day of giving the clubhouse a thorough cleaning, shaking out the sand and shining up the place.

If you notice any issues with our SLYC Clubhouse or have a suggestion, please feel free to send me an email, text message or phone call.

*Thank you,*  
—Mike 📍

## Cruising News

by Lettie Fuller,  
Cruising Captain

**A** hoy,  
I am happy to be your Cruising Captain for the 5th year in a row. I enjoy planning our sailing events and I have a great year planned ahead.

First, I want to thank the ladies that attended the Women's Sailing Convention in New Port Beach on Saturday, February 2, 2019. We had a great time learning and meeting other women sailors. We had a bad storm and we did not go out on the water. It was better to be safe than to get in trouble out on the water.

The members that attended were: **Linda Lee Fromm, Leanne Drummond, Jana Barter, Kristin Rasmussen, Kathy Erwin, Terri San Filippo, and Lettie Fuller.** We all took different classes and will share our experiences at the next Wet Wednesday, so come and support us.

Drum Roll...Here are the sailing events planned for 2019: Remember, the sailing events could get cancelled due to weather. Join us on the water.

**May 18th-19th Sailing Charters in Santa Cruz, CA** Depart from Santa Cruz Harbor on a Hunter 46 and sail in Monterey Bay. Contact Darrel Rundstrom at 805-295-6377.

**JUNE 29th 1000 hours On the Water in Port San Luis** Depart Harford pier 1000; sail in Avila for the day. Gather at the club for a BBQ. More info to come.

**JULY 4th 1130 hours AVILA BOAT PARADE 1200 and CHEESEBURGERS IN PARADISE** Decorate your boat for parade and line up at 1130 in front of Cal Poly Pier. This is a great way to spend July 4th at the club with food drinks and lots to see.

**JULY 6th 1000 hours Santa Barbara sail and dock side party** Depart SB harbor at 1000 hours, sail for the day. Gather on Amigos at 1730 for dock side party.

**JULY 28th-AUGUST 2nd CRUISING ON WHEELS** Join us at June Lakes with your RV, Fifth Wheel, tent or rent a cabin. Bring your kayak, or small boat and enjoy the beautiful lake. Will have a group potluck at the Hurd's cabin date to be determined.

**AUGUST 9th-10th THE ZONGO CUP** There is no better place to watch and socialize than the club – Go to the Zongoallstars.com website if you would like to participate in the sail down from Morro Bay to Avila.

**SEPTEMBER 3rd-6th BOATING AT HUNTINGTON LAKE** Arrive Tuesday afternoon, sail, and boat on the lake Wednesday, Thursday, and depart Friday. Bring your own boat, kayak, or paddle board or rent on the lake. Contact Darrel Rundstrom at 805-295-6377 for more details.

**SEPTEMBER 13th-15th CHANNEL ISLANDS CRUISE** Depart Friday morning (13th) SB Harbor 10:00am, one night onboard/onshore at Santa Cruz Island. The Cove is teeming with sea life – great snorkeling, exploring, kayaking, or just hanging out. Several members rent boats from SB Sailing Center; so, for safety's sake, you must notify the Cruising Captain if you plan to sail. Come aboard for happy hour on Cruising Captain's boat Friday night. More details to follow.

**NOVEMBER 13th-23rd SAIL SEA OF CORTEZ** Sail to different islands in Sea of Cortez. More info and details to follow.

*Happy Sailing,  
—Lettie ↓*

*San Luis*  *Yacht Club*

## Commodores Dinner

January 26, 2019

(l-r) Warren Ristow (2012), John Katavich (1999), Karen Hiatt (2005), Jay Chapel (1996), Michael Dobrzensky (2009), Dell Hollinger (1965 and 1967), Al Censullo (1978), Dennis Wheeler (1977), Bill Dyer (2013), Barry Stewart (2019), Dorie Zwinger (2008), Mary Matakovich (2017)

## Valentine's Day Dinner and Soirée

Reid K. Hester, Ph.D. Director

A soirée is defined as an evening party or gathering for conversation or music. Last Saturday's (2/16) dinner and dance certainly filled that bill. Chef **Sandra Nielsen**, sous chefs **Jasper Nielsen**, **Terry Whitney** and master dishwasher **Phil Whitney**, servers **Carol Dobrzensky** and **Shannon Donahue**, **Sheila McCann** and **Tom Baxter** bar hosts pulled off one of the most sensational evenings of fine dining and dancing this club has seen in a long time (at least since I joined 2 years ago).

The Gypsy All Stars band set up on time but as dinner wasn't finished they began softly playing Spanish guitar music which was a perfect complement to the atmosphere. Then when plates were cleared away and desert finished, the dancing began. Lots of dancing. The joint was jumping!

It was a huge effort for everyone involved with this event and they are to be commended for its success.

## Upcoming Wet Wednesday Presentations

Reid K. Hester, Ph.D. Director

As a new Club Director this year I agreed to organize the presentations for the Wet Wednesdays that are in the spring and fall. First though I'd like to thank **Ken San Filippo** for scheduling the first few and showing me the ropes for doing this.

I'm pleased to announce the following presentations:

- On March 13 the women who attended the Women's Sailing Convention in Newport Beach last month will be talking about their experiences there. Come toast their accomplishments and experiences.
- On April 10, our sail fleet Captain and Race Committee Chairperson, **Kyle Soucy** will give a hands-on demonstration on how the Race Committee works. She'll have the flags, course numbers, starting sequence checklists, and our new automated timing system to show off. Having been on various Race Committees over the years I can personally attest to the fact that the system she uses really eliminates any guesswork about what a Race volunteer does. And I've found it to be an enjoyable way to spend an afternoon either at Lopez Lake or out on the pier during the ocean races.
- On May 8, **Scott** and **Kathy Erwin** will discuss their plans to cut the dock lines and go cruising in 2020. They've already bought a boat and will be bringing it up here this spring to prep it for their great adventure. If you've ever wondered how one would go about this, be sure to mark your calendars for this Wet Wednesday.
- In June, Wet Wednesdays will move to afternoon and early sailing on the Bay. More on that soon.
- In October when Wet Wednesday presentations at the Club house resume, that month is TBD.
- On November 13, it will be the Racing season's awards and stories night. A lot happens during races and this will be a chance to hear some of the racers' tales.

### *Bob Marvin Cazier*

On January 23, 2019, Bob Marvin Cazier age 65 of Creston, passed away surrounded by his family. Bob died from complications caused by endocarditis and sepsis.

Bob was born in La Puente, California on June 15, 1953. He was a skilled general contractor who could fix or build just about anything. Bob's woodworking skills were exceptional, and he specialized in building custom fireplace mantels and picture frames. Bob was an active member of the Creston community, San Luis Yacht Club, and SLO Ski Club. He made friends everywhere he went with people of all walks of life. Bob made every effort to participate in every social event he could fit in because he feared that he would miss out on something FUN. He was loved by everyone who had the opportunity to meet him. Bob's free spirit was contagious; he lived life to the fullest with no regrets. Bob would light up any gloomy room and could be heard from a mile away. He had a heart and soul like no other, which compelled him to do anything for anyone. Bob was fun to work with, insanely funny, up for any adventure, and just a pleasure to be around. Bob was a loving husband, father, grandfather, and wonderful friend to so many.

Bob was a member of the San Luis Yacht Club since 2003, generously donated his skills and time to the club, became famous as the Easter Bunny for the Avila Beach Civic Association, and loved firing off the Club cannon on opening day for many years.

Bob is predeceased by his wife of 43 years Sylvia, his father and mother, Robert and Grace Cazier, beloved grandparents Marvin and Lavine Porter. Bob is survived by his children: Jeff, Abby, and Josh, grandchildren: Trent, Makaya, Marlie, Harper, and Kai, mother-in-law, Dora; his bird Rita; and his beloved dog Skeeter (who he selflessly gave to Dora).

A Celebration of Life will take place at the Creston Community Church on Saturday, March 2, 2019 at 1:00 pm, followed by a reception.

### *Lee Clay Jordan III*

It is with great sadness that the family of Lee Clay Jordan III announces his passing.

Clay loved to explore new ideas, always seeking to learn something interesting, meet someone new, explore someplace unknown. He was famous for his quick wit, his way with words, and his unique perspective. Time spent with Clay was always synonymous with new and intriguing experiences.

Clay will be lovingly remembered by Yvonne, his wife of 25 years, and Zack, his son. He will forever live on in the hearts and minds of his sister S.A. Jordan, his in-laws Mark, Kay, Peter and Mitzi Heitmann, his nieces and nephew, and his many dear beloved friends.

Clay was first and foremost a devoted husband to Yvonne and a wonderful father to Zack. After a successful career in Real Estate Appraisal as an SRA and as an entrepreneur, he became a stay at home dad. Clay gave Zack his heart, taught him to laugh until his belly hurt, opened his mind to the joy of a life well lived, and taught him to be an honest, kind, and loving person. He personified these values every day, and will forever be remembered as an exemplary role model by his son.

Clay successfully fought through multiple brain cancer recurrences while raising Zack over 21 years. He and Yvonne always persevered. Throughout everything, he was a pillar of strength and the model of what a great husband, father, and man should be. If there's a place for good souls, he's there.

He and his wife Yvonne were active sailors and members of the San Luis Yacht Club since 2004.

His family invites everyone who knew him to celebrate his life at the First Congregational Church of Santa Barbara, located at 2101 State Street, February 16, 2019 at 11:00am. There will be a memorial at the San Luis Yacht Clubhouse in the near future once the date is confirmed.

May he rest peacefully.

Respectfully submitted,  
Kathleen O'Neill  
SLYC "Sunshine" Chair

# Sunshine Committee

Remember to notify Kathleen O'Neill, Chairperson of the Sunshine Committee, of any illnesses, injuries, or surgeries of Club Members who may need some get well wishes and support from other Club Members. Please also notify her of the passing of any Club Member or their family members so that she may compose a tribute for them and send them a condolence card on behalf of the Club. As she and the Club always respect the privacy of Club Members, she will post a notice in the *Foghorn* about such illnesses, injuries, etc. only with the member's permission. Please contact Kathleen at 805-550-5010 or email her at [koneill555@gmail.com](mailto:koneill555@gmail.com).

— Kathleen O'Neill  
Sunshine Committee
