by Bob Hurd,  
Commodore

A hoy everyone! April was a busy month with Clean-up Day and Opening Day(s) but as I write this, I am sitting on my boat in a slip in Channel Islands Harbor relaxing with a cocktail. The forces that have been pulling me in multiple directions are ineffective on the boat.

Our Opening Day 2024 for me had lots of emotional ups and downs.

It was sobering to pay tribute to two Club members who passed away since last Opening Day; **Craig Bernard**, who I have known for over 40 years, in July and **Joe Montgomery** just a week before Opening Day (see the tribute from his wife Molly). A former member, **Ron Sinclair**, passed away on March 27 (see the tribute from his wife Gillian).

There was plenty of fun that day though with shots of rum for mispronunciation of names or other mistakes. Some said that they thought I was enjoying that part too much.

We gave out the traditional awards (see Vice Commodore **Bret Clark** and Rear Commodore **Pat Mullen's** articles). In a break with tradition, we gave **Joe Montgomery** the Bristol Boat Award for his boat "Dances with Waves" in advance of Opening Day. And this year it was suggested to me that we recognize some of our long-time members: **Del Hollinger** 78 years, **Nancy Stewart** 74 years, **Denny Wheeler** 52 years and **Al and Maggie Censullo** 47 years.

Representatives from two fellow Southern California Yachting Association clubs; Pierpont Bay Yacht Club from Ventura and South Coast Corinthian Yacht Club from Marina Del Rey attended our Opening Day.

I was impressed that they came all the way to Avila to celebrate with us and I heard that they were impressed with the warm friendly reception they received.

The weekend of April 6 we had a contingent attend Opening Days in Ventura and Channel Islands Harbor including Ventura YC, Pierpont Bay YC, Harbour Island YC, Anacapa YC, and Channel Islands YC. I attended the Morro Bay Yacht Club Opening Day ceremonies the day after ours and I have one more, the Little Ships Fleet Yacht Club in Long Beach, where my daughter and her partner are new members—and he is Rear Commodore.

Enough Opening Days.

Wet Wednesdays were put on hold for April and May but will be back in June—watch for information as it will be on the water as will the "Wet" Wednesdays through the summer.

Upcoming events include Kentucky Derby Day, ocean races, the Pacific Sail and Power Boat Show, a river rafting weekend, Cheeseburgers in Paradise/July 4 boat parade, and Kid's Day.

Future Friday Social Food Hosts need to know that the bar has been set high with full BBQ meals with sides provided by members **Melissa Smith** and **Kevin Williams** and members **Diane Frost** and **Chan Butcher**. Thank you to Melissa, Kevin, Diane and Chan.

One last newsworthy item; **Jana Barter**, Quartermaster, put together a sale of old stock and brought in a whole new line of clothing in the Ship's Store.

My cocktail glass is empty and my laptop battery is dying. Thank you to all of you who continue to support and help me.

—Bob

## Vice Views

by Bret Clark,  
Vice Commodore

### A hoy everyone! Opening Day:

Thank you to all who were in attendance for our 87th Opening Day! It takes a lot of time, planning, and people to make Opening Day successful. While the Vice Commodore is responsible for coordinating the event, it would not be possible without help. There are too many people to thank individually, but I want to recognize a few who really helped to make the day special. First, to **Mike Ginn** and bar hosts **Sylvia Dodd** and **Ali Stevenson** who kept the party going well into the afternoon. The catering provided by **Debbie Collins-Johnson** and set-up support by **Val Gillespie**, **Debra Barfoot**, **Kevin Williams**, and **Patrick Corrigan** ensured that we were all well-fed. A thank-you to **Kate Gillespie** for greeting you all and handing out your Opening Day gift. A big, “Thank You,” to **Jana Barter** who, in addition to selecting and ordering the Opening Day gift, ensured that all of our members can represent the club with new, 2024 clothing items. Rear Commodore, **Pat Mullen** ensured that the Clubhouse was set up so that we all could enjoy the day. Lastly, I would like to thank Flag Member, **Wendy Lucas** for providing a very

special invocation. I also would like to recognize the cooked chicken that **Barry Stewart** and **Marty Fuller** barbecued after the event. It was well-received and many remained at the Club well after I left at 3:30. Once again, I know that I am missing people to recognize, but I wanted to again thank you for the work that you all do on behalf of the club and its membership.

### Opening Day Award Recipients:

Jay and Judy Chapel Award – **Andrea** and **Greg Jackson**  
McBratney Award – **Barry Stewart** and **Marty Fuller**  
Chisler’s Award – **Dan Pease**  
Volunteer of the Year Award – **Michael Dobrzensky**  
Bristol Boat Award – **Joe Montgomery**

## From the Rear Commodore

by Pat Mullen,  
Rear Commodore

Greetings fellow Club Members!  
A huge THANK YOU to the 42 club members who turned out for our annual Club Clean Up Day on April 6 (see Michael Dobrezensky’s collage on page 7). It was a super fun day, tons of work was completed including over 34 separate cleaning activities, and literally the club was scrubbed inside and out! We cleaned, organized, polished, fixed, washed, painted, scraped, shined, and rocked out. The weather was sunny and perfect and everyone had fun, and we got to know our fellow club members all that much better. And the club sparkled! As Rear Commodore one of my main duties is organizing Clean Up Day and all our volunteers made my job easy. Don’t miss out next year! A sincere, personal and heartfelt thank you to our awesome Club Clean Up Day volunteers including; **Debra Barfoot**, **Jana Barter**, **Graham Barter**, **Roger Briggs**, **David Butcher**,

**Mark Corella**, **Kate Corella**, **Patrick Corrigan**, **Gary Cox**, **Jason Curtis**, **Lily Curtis**, **Steve Dahl**, **Mike Davis**, **Dennis Dempsey**, **John Diaz**, **Michael Dobrzensky**, **Bryan Friedman**, **Lena Friedman**, **Marty Fuller**, **Reid Hester**, **Karen Hiatt**, **J Johnson**, **Anna Mullen**, **Laura Mullen**, **Jesper Nielsen**, **Dick Strachan**, **Char Robak**, **Matthew Roberts**, **Greg Ross**, **Patti Ryan**, **Darrel Rundstrom**, **Linda Rundstrom**, **Melissa Smith**, **John Sorgenfrei**, **Freeman Tidaback**, **Brittany Tomasko**, **Jason Vork**, **Paul Waldron**, **Dave Williams**, **Sharon Williams**, **Phil Whitney**. All these members helped make our club look fabulous for Opening Day and the season!

Speaking of Opening Day, I was honored to present the Club’s annual Chiseler’s Award to **Dan Pease**. The Chiseler’s Award has a long history with our club, granted to the member who has saved the most money for the club which helps keep everyone’s dues lower. It started with the early days of the club to the person who could “chisel” the most value out of acquiring surplus equipment or services for the club. It is a high honor in our club! Dan Pease earned it for all the work he has put in to refurbishing, rebuilding, and refinishing all of our oak tables in the club. This has saved the club, and therefore all of us, thousands of dollars. Thank you, Dan Pease.

*Cheers,*

# Fleet News

by David Ouellet,  
Sail Fleet Captain

**H**ello fellow cruisers and sailors. The Avila ocean racing season is almost upon us. We have made a couple changes to the sailing instructions, so all sailors involved in the ocean race please go to the website or click the link here to see the changes in red. [https://www.slyc.org/Board/Procedures/SI\\_Avila\\_Cup.pdf](https://www.slyc.org/Board/Procedures/SI_Avila_Cup.pdf).

We did increase the allotted time per race to allow for the unique conditions of Avila Bay. We are looking for as many boats as possible this season so anyone who knows someone that has a boat that would like to race, they are invited to come out, the first race is May 5th. Anyone who would like to sign up to be on the race committee it's an opportunity to watch the racing from the

end of Cal Poly pier and be involved. You do not have to know all the sailing rules and regulations and it is a fun time to hang out and get involved with some sailboat ocean racing.

As some of you know February 4th there was a South swell storm that came in and unfortunately three boats broke loose of their moorings and ended up on the beach. The south swell had 6–8-foot swells breaking in the mooring area (Photo 1). The wind finder app shows how intense the storm was with high winds (photo 2). One of the boats was the Allegra which was in our sailing fleet for the ocean races. Unfortunately, “Allegra” did end up on the shore and so now we were down one boat in the fleet (photo 3). Allegra's owners are looking for a new boat and hopefully it will be a new addition to the fleet this year for the ocean races. Our club boat “Second Wind” did have the bow pulpit bend a stanchion due to the stress on the bridal from the mooring.

There is rumor of a Women’s Team this year which would be on “Blondie” in our ocean fleet. This year looks like it with be interesting with possible new boats and new teams to challenge for the Avila Cup 2024.

*Fair winds to all!*

## Passings

Our beloved Joseph Montgomery, member of our Club since 2010 and Rear Commodore for two years, passed away peacefully at home with his family at his bedside on April 6th, 2024. His wife Molly wrote the following beautiful tribute for Joseph.

Respectfully submitted,  
Kathleen O'Neill  
SLYC "Sunshine" Chair

### Tribute to Joseph Montgomery

It is with deep regret that I inform you of the death of my husband of 50 years, Joseph "Joe" Montgomery.

Joseph was a man of boundless energy and curiosity, a Renaissance man of many talents.

He was so proud of his service to the SLYC as Rear Commodore for two years and so enjoyed the camaraderie of interacting with the Club members. He was touched by the recent presentation by the Commodore and Vice Commodore of the Bristol trophy for his new boat "Dances with Waves", though he had little time left to enjoy it.

Joseph was passionate about his career as a motion picture cameraman and director of photography for the film industry. It afforded him many extraordinary experiences. I am sure that you have heard about many of them. In 1984 he served as White House Cameraman for President Reagan's commemoration of D-Day in France. Some of his footage can be seen at the Reagan Presidential Library in Simi Valley. Just prior to that he was the first civilian to fly in an F16 aircraft while filming for the Air Force. One story that you may not have heard about was when he was taken hostage by Turkish terrorists at the PanAm airlines ticket office building in France. Luckily, that ended with no injuries, but a truly shaken-up staff including Joseph.

Other film highlights included work for National Geographic Films, such as the trip to Peru to document discovery of 500-year-old mummies at 21,000 feet, Ice Climbing, and the History of Surfing. In 2002 he opened the Havana, Cuba Film Festival with one of his feature films. Another adventurous undertaking was a documentary on drug king Pablo Escobar.

I hope that you had the opportunity to hear him play his beloved trumpet here at the Club. Most recently he played at the Jambalaya dinner event. He studied the trumpet from the age of 11 and played professionally during his 1920's, touring the country with top 40 bands and playing classical concerts as well.

Joseph had a multitude of jobs during his life. He started working as a boy mowing lawns and delivering papers. He worked for the railroad, in the mailroom of an insurance company, in Oklahoma as a roustabout on the oil wells, and as a locksmith making keys for the movie celebrities who had locked themselves out of their cars or homes.

He was also an artist; he enjoyed painting in acrylics. His painting of the boat Renaissance hangs in the clubhouse. A vintage car aficionado since his youth, he cherished his beautiful 1955 Jaguar XK140, which he drove to his Prom in 1963. That car will stay in the family forever!

Our vineyard in Squire Canyon kept him busy as well. He loved harvest time and making wine, which left him little time for his other favorite pursuits such as cycling and skiing.

Joseph will be missed by so many family members and wonderful friends. They will miss his openness, his warmth, his love, and his genuine enthusiasm for all that life offered him.

I want to thank all of you who have been so supportive of me during this difficult time. I will be eternally grateful.

Sincerely,  
His loving wife,  
Molly Montgomery

## Passings

Sadly, another former member of the Yacht Club has passed away, Ron Sinclair who joined the Club with his wife Gillian in 2008. Following is a message from Gillian to all Club members.

Respectfully submitted,  
Kathleen O'Neill  
SLYC "Sunshine" Chair

### *Tribute to Ron Sinclair*

It is with great sadness that I inform you of my husband Ron Sinclair's passing on March 27, 2024 at the age of 82.

In previous years, Ronnie and I were regular attendees of everything going on at the Yacht Club from 2008 until just a few years ago. As Ronnie's Alzheimer's quickly advanced, he just couldn't function well enough to enjoy being with you all.

He fell on January 15th and was taken to French Hospital where he had surgery. From there he went to rehab in Santa Maria. During eleven years of the horrible disease, he deteriorated; and nothing could be done to help him.

I think of Ronnie, my husband of 57 years, as a humble man. So, there is a good chance that you didn't know he was an avid sailor while we lived in Scotland. He and his sailor friends would compete in races on the west coast of his homeland, and they all became very skilled at what they did.

We came to California from Glasgow, Scotland in 1967 shortly after marrying. Ronnie already had a job to come to where he worked with an engineering company. The President of the company was a member of the Alamitos Bay Yacht Club in Long Beach, close to where we settled. We joined the club, and Ron raced! He loved it! In 1968 he raced in the "Dragon Class" in the Olympic Trials. The team didn't make it, but Ronnie enjoyed the experience.

Ron's memorial will be held at Grace Bible Church, 100 Rodeo Drive in Arroyo Grande, July 27th at 11 PM. Since I am back in Avila, I look forward to seeing some of you around. My mailing address is P.O Box 2696 Avila Beach 93424. Phone: 805-704-9428.

Good health to you all!  
Ahoy,  
Gillian

## Reminder - Bar Hosting

Attention to all club members who wish to complete their club services as a Bar Host.

All bar hosts and/or anyone who checks ID's, serves alcohol, serves as a cashier, manages, or trains those who are responsible for alcohol-related duties, must complete a California State Responsible Beverage Service Training (RBS) course.

Your training course must include the successful completion of an Alcohol Beverage Control (ABC) administered RBS exam. The certification requirements for AB 1221 must be renewed every 3 years.

You will find an RBS Training course from one of the Department-approved training providers online and must pass the Department's alcohol server certification exam with a 70% or better.

The California Department of Alcoholic Beverage Control (ABC) offers an online Responsible Beverage Service Portal! This portal provides access to all the tools you will need to ensure compliance with the mandatory RBS training requirements for Alcohol Servers, Licensees, and Training Providers.
